Hebrews 10:32-39 – "Expectant Endurance" (Part 2)

- Central Theme: We must press on in following Christ even when it's hard. Why?
- 1. Unbelief and disobedience lead to a fierce destruction greater than any earthly ease. (vv. 26-31) This was last week's focus.
- 2. Faith with obedience leads to an eternal reward greater than any present sacrifice. (vv. 32-39)
  - Discouraged believers need a change of perspective more than a change in circumstances.
  - a. The Surrounding Circumstances—Trials While Following Christ (vv. 32-34a)

b. The Necessary Mindset—Freedom From This Life (vv. 34b-36)

c. The Firm Admonition—Live Free Or Die (vv. 35-39)
