

Hebrews 4:1-13

- Central Theme: The central aim of our lives must be to enter God's rest, which doesn't happen carelessly.
1. God's promised rest is offered to all of us.
 2. The way we enter God's rest is by faith.
 3. The way we come to and remain in faith is by the word.
 4. The word only does this faith-building work as it is used diligently.
