

## Leviticus 1-27 – “The Book of Laws” (Part 1)

- Today’s Central Theme: The book of Leviticus is a beneficial and even essential part of any person’s relationship with God.
  - In this sermon, we’ll address three common objections to this idea:
1. “Leviticus is hard, so I’ll just stick with what’s easier.”
  2. “Leviticus is for the OT Jews, so I’ll just stick with what’s newer and more relevant for me.”
  3. “Leviticus is for convicting unbelievers, so I’ll just stick with what will build me up in Christ.”
