

Numbers 1-14 – “The Book of Wanderings” (Part 1)

- Today’s Central Theme: Knowing and trusting Who God is and how He works must be what shapes the lives of His people.
- In this sermon, we’ll address 5 key examples from Numbers:
 1. God often works through human agents, so His people must be ready for uncomfortable action.
 2. God is jealous for His people, so they must not live independent of Him.
 3. God does not tolerate sin, so His people must be purified and protected.
 4. God delights in blessing His people, so they must be thankfully obedient.
 5. God is almighty and all-wise, so His people must not doubt Him.
