

2 Peter 1:16-21

“True Assurance, Pure Joy, and a Confident Hope”

- Central Theme: The truth of Christ’s return in judgment and glory is confirmed in the account of the Transfiguration, grounded in God’s prophetic Word, and crucial to the gospel. Heed the prophetic Word: Christ is coming in power and glory for his Church. This gives the Christian assurance, joy, and a hope for our Lord and Savior Jesus Christ.
